Subject: Horizon Newsletter

All,

There has been some confusion surrounding the mailing of the Horizon newsletter so I was hoping to clarify. Residents may have their newsletter mailed to them in lieu of picking it up or reading it online. They do need to call each month to have that issue mailed. We do not create a master list of any sort. We have done this in the past and the list grew to 400+ residents who simply preferred to have it mailed. This negates any savings to the City. If you would all prefer we go back to printing and mailing we would need to amend the budget to include those costs.

A discussion and motion at the next Board of Aldermen meeting would be a good place to get that ball rolling if you all so choose. Please let me know if you have any questions.
