**BOARD MEETING DATE:** Tuesday, August 24, 2021

**REVIEWALS:**

City Administrator: Completed

**SUBJECT:** Revised Deer Control Policy

**LIST OF ATTACHED REFERENCE DOCUMENTS:**

Missouri Department of Conservation Hunting and Trapping Regulations

**FISCAL IMPACT:**

N/A

**BACKGROUND/DISCUSSION:**

At the July 13, 2021 Alderman Epperson received consensus to move forward with a revised deer control policy. The revised policy, as presented, would redefine the term “archery device” to allow for crossbows to be used within City limits. Additionally, the proposed ordinance would no longer require a certificate of completion of the Hunter Safety Course for individuals born before January 1, 1967. This is consistent with Missouri Department of Conservation requirements.
