### **CONSTRUCTION OF THE DISTRICT PROJECT**

**Section 2.01 District Project.** Subject to the terms and conditions of this Agreement, the Developer, on behalf of the District, shall construct, or cause the construction of, the District Project in accordance with this Agreement and all applicable federal, state and local laws, rules, regulations, ordinances and approvals.

**Section 2.02 Schedule.** The Developer shall use commercially reasonable efforts to cause the completion of the District Project (as described on **Exhibit B**) by July 1, 2023 (subject to any excusable delay permitted by **Section 3.01**).

**Section 2.03 City Approvals to Control.** The Developer shall obtain or cause to be obtained all necessary zoning, building and other permits and approvals in conjunction with the completion of the District Project. Notwithstanding anything to the contrary contained herein, the applicable zoning, building and other permits and approvals shall control the specific development of the District Project.

**Section 2.04 Insurance.**

(a) The Developer will cause there to be insurance for the Property and the District Project as hereinafter set forth at all times during the construction of the District Project and continuing (with respect to (1) and (2) below) during the term of this Agreement. The policies for such insurance shall be placed with financially sound and reputable insurers licensed to transact business in the State of Missouri. The Developer shall, from time to time at the request of the City or the District, furnish the City and the District with “Acord” certificates of insurance on:

(1) Property and casualty insurance to keep the Property constantly insured against loss or damage by fire, lightning and all other risks covered by the extended coverage insurance endorsement then in use in the State in an amount equal to the Full Insurable Value thereof (subject to reasonable loss deductible clauses). “Full Insurable Value” means the commercially reasonable level of insurance for the Property;

(2) Commercial liability insurance with coverages of not less than the current absolute statutory waivers of sovereign immunity in Sections 537.600 and 537.610 of the Revised Statutes of Missouri, as amended (which for calendar year 2021 is equal to \$2,940,868 for all claims arising out of a single accident or occurrence and \$441,130 for any one person in a single accident or incurrence). Further, the policy shall be adjusted upward annually, to remain at all times not less than the inflation adjusted sovereign immunity limits as published in the Missouri Register on an annual basis by the Department of Insurance pursuant to Section 537.610 of the Revised Statutes of Missouri, as amended; and

(3) Workers' compensation insurance, with statutorily required coverage.

(b) Simultaneously with the execution of this Agreement and annually thereafter and throughout the term of this Agreement, the Developer shall provide evidence of contractual liability insurance (in form and substance reasonably acceptable to the City Attorney) covering the Developer's obligations to indemnify the City and the District, as provided in this Agreement, by an insurance company with a rating by a reputable rating agency indicating excellent or superior financial strength (i.e., an A.M. Best rating of "A-" or better). The Developer agrees to provide immediate written notice to the City and the District when a cancellation, termination, expiration or modification of the applicable contractual liability policy occurs.

### ARTICLE III

#### EXCUSABLE DELAY

**Section 3.01 Excusable Delay.** Notwithstanding anything to the contrary contained herein, the time periods provided for herein shall be automatically extended by the number of days of delay caused by actions or events beyond the control of the Developer (but in no event beyond December 31, 2023), including acts of God, labor disputes, strikes, lockouts, civil disorder, war, lack of issuance of any permits and/or legal authorization by the governmental entity necessary for the Developer to proceed with the construction or cause the construction of the District Project (provided all conditions precedent to the issuance of said permits and/or authorizations have been met), any delay caused by the Approved Store (defined herein), shortage or delay in the shipment of material or fuel, governmental action, fire, unusually adverse weather conditions, wet soil conditions, unavoidable casualties, litigation relating to the establishment of the District or any element of the District Project, or any causes beyond the Developer's reasonable control, or by any other cause that the Mayor in his or her reasonable discretion determines may justify the delay (an "Excusable Delay"). The Parties agree that as of the date of this Agreement, no condition or event exists, including the current scope of and restrictions associated with the existing COVID-19 pandemic, that would justify an Excusable Delay (however, future material changes in the scope of or restrictions associated with the COVID-19 pandemic may justify an Excusable Delay). The Developer shall notify the City and the District in writing within 30 days after a claimed event of the cause of the Excusable Delay. An Excusable Delay shall not include any condition or circumstance caused or extended by the Developer or an Affiliate or attributable to actions or inaction by the Developer or an Affiliate.

## ARTICLE IV

### COMMUNITY IMPROVEMENT DISTRICT PARTICIPATION

#### **Section 4.01 District Sales Tax.**

(a) The District shall submit a ballot proposition to the District's qualified voters (as defined in the CID Act) authorizing the imposition of the District Sales Tax for a term of no more than 40 years.

(b) Upon approval by the qualified voters of the District, the District shall promptly notify the Missouri Department of Revenue of the imposition of the District Sales Tax.

**Section 4.02 Approval of District Project Costs.** From time to time, the Developer may submit Certificates of Reimbursable District Project Costs in substantially the form of **Exhibit C** attached hereto to the City and the District, evidencing costs incurred by the Developer in the construction of the District Project. The City and the District shall review each Certificate of Reimbursable District Project Costs and provide written objections, if any, to the Developer within 30 days from receipt thereof. If any objections are provided, the Developer shall cure such objections and resubmit the Certificate of Reimbursable District Project Costs. If no objections are provided within 30 days of receipt, the Certificate of Reimbursable District Project Costs shall be deemed approved by the City and the District on the 31st day following receipt (unless affirmatively approved by the City before such date). The maximum amount of costs that may be included in approved Certificates of Reimbursable District Project Costs is \$5,358,705, excluding Costs of Issuance, if any, and the District's administrative fees and expenses, including but not limited to, fees and costs related to the District's formation, planning consultants, advisors, auditors and legal counsel.

#### **Section 4.03 Application of District Revenues; Reimbursement of District Project Costs.**

(a) The District shall establish the District Operating Fund and the District Reimbursement Fund. All District Sales Tax revenues received by the District in each Fiscal Year shall be deposited as follows:

(1) First, District Sales Tax revenues up to the applicable Annual Operating Fund Deposit shall be deposited into the District Operating Fund; and

(2) Second, all remaining District Sales Tax revenues shall be deposited into the District Reimbursement Fund.

(b) The District shall use money deposited into the District Operating Fund to pay the costs of administering and operating the District and any other expenses approved by the District's Board of Directors (including, without limitation, transferring any moneys not needed for the administration and operation of the District to the District Reimbursement Fund). The Developer agrees, upon written request of the District, to promptly pay such costs (not in excess of the Annual Operating Fund Deposit) if the moneys in the District Operating Fund are insufficient for that purpose.

(c) The District shall use money deposited into the District Reimbursement Fund to reimburse the Developer for any amounts advanced pursuant to **Section 4.03(b)** and for the District Project Costs identified in all approved or deemed approved Certificates of Reimbursable District Project Costs (including interest accruing on District Project Costs that have not yet been reimbursed at an annual rate of 7.00%, calculated using the 30/360 method and compounding semi-annually on each May 1 and November 1). The District shall, subject to annual appropriation, make payments to the Developer from the District

Reimbursement Fund on each May 1 and November 1 (or if such date is not a business day, the next business day thereafter), to the extent (1) the District has money in the District Reimbursement Fund and (2) the Developer has not yet been reimbursed by the District for the District Project Costs identified in all approved or deemed approved Certificates of Reimbursable District Project Costs.

(d) Notwithstanding anything to the contrary contained herein, either the District or an industrial development corporation on behalf of the District may, with the City's written permission and in lieu of the payments described in (c) above, issue notes, bonds or other obligations and use the proceeds thereof to reimburse the Developer for the District Project Costs identified in all approved or deemed approved Certificates of Reimbursable District Project Costs. Neither the stated interest rate nor the true interest cost on any notes, bonds or other obligations shall exceed 7.00% if the interest on such notes, bonds or other obligations is included in gross income for federal income tax purposes or 5.50% if the interest on such notes, bonds or other obligations is excludable from gross income for federal income tax purposes, as determined by the bond counsel selected pursuant to **Section 4.04(c)**.

#### **Section 4.04 Governance of the District.**

(a) The Developer and any successor in title to the Property, in their role as an entity that can designate authorized representatives to serve on the District's Board of Directors, shall cause the District to be governed in accordance with the CID Act and all other applicable laws. The Developer, as an owner of real property in the District, will authorize the appointment to the District's Board of Directors of two persons designated by the City who meet all other qualifications to serve on the District's Board of Directors, by designating such persons as its authorized representatives for the purpose of serving on the District's Board of Directors.

(b) The District shall engage a qualified District administrator and a qualified legal counsel to assist in managing the operations of the District and ensuring compliance with applicable laws.

(c) If the City authorizes the issuance of any bonds, notes or other obligations, the City shall have the right to designate bond counsel and a financial advisor for such obligations.

(d) The District shall promptly dissolve after all District Project Costs have been reimbursed to the Developer (or if bonds, notes or other obligations have been issued, once all such bonds, notes or other obligations have been repaid).

(e) Subject to the provisions of Section 3.01 hereof and any applicable cure period, the District shall promptly dissolve unless each of the following occur:

(1) by January 1, 2022, the Developer provides the City and the District with an executed lease agreement providing for occupancy by July 1, 2023 of Bass Pro Outdoor World, L.L.C. occupying at least 60,000 square feet and acceptable to the Board of Aldermen in its sole and absolute discretion (the "Approved Store"); and

(2) by July 1, 2023, the Approved Store must open for business within the District; and

(3) before the Approved Store opens for business within the District, the Developer obtains and the City approves an agreement providing cross-access to the property on which Helen Fitzgerald's is located. Such cross access shall be designed, constructed and in use within 6 months of the opening of the Approved Store.

## ARTICLE V

### DEFAULT AND REMEDIES

**Section 5.01 Default.** An "Event of Default" shall exist if the Developer fails to timely perform, in all material respects, any obligation or covenant of the Developer under this Agreement, and such failure is not cured to the City's and the District's reasonable satisfaction within 30 days after the City or the District gives written notice thereof to the Developer, or if it cannot reasonably be cured within thirty 30 days, then, subject to **Section 3.01**, for such additional time as may be necessary to cure such default so long as the Developer is diligently proceeding to effect a cure of such default.

#### **Section 5.02 Remedies; Results of Termination.**

(a) Upon the occurrence of an Event of Default, the City or the District may institute such proceedings as it deems necessary or desirable to cure and remedy such Event of Default, including but not limited to proceedings to compel specific performance or to terminate this Agreement.

(b) Upon the termination of this Agreement pursuant to this Section, a notice of termination shall be filed with the St. Louis County Recorder.

## ARTICLE VI

### GENERAL PROVISIONS

**Section 6.01 Modifications; Successors and Assigns.** The terms, conditions and provisions of this Agreement shall not be modified or amended except by mutual agreement in writing among the Parties. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective assigns and successors in interest or title to all or any portion of the Property; provided, however, the Developer may not assign its rights under this Agreement except in accordance with the provisions of **Section 6.02**.

#### **Section 6.02 Right to Transfer Property; Assignment of District Project Agreement.**

(a) *Transfer of Property.* The Developer (or successor in title) may transfer the Property or any portion thereof so long as written notice of such transfer is provided to the City and the District within ten days of the transfer.

(b) *Effect of Transfer.* Upon a transfer and satisfaction of all requirements of this Section, unless otherwise expressly elected by the transferor, all of the transferor's rights and obligations hereunder with respect to the Property or applicable portion thereof, including, without limitation, those concerning construction, maintenance, use and financing of the District Project shall transfer to the transferee, and the transferor shall be released from any and all further obligations under this Agreement with respect to the Property or the applicable portion thereof.

(c) *Assignment by Developer.* The Developer may assign its interest to any entity so long as the City Attorney receives evidence of the assignee's compliance with **Section 2.04** and **Section 6.09** at the time of the assignment.

(d) *Leases in Ordinary Course of Business Exempt from this Section.* The Parties acknowledge that the Developer may enter into leases with tenants in the ordinary course of operating the facilities within the District as a commercial development. Notwithstanding anything to the contrary contained herein, no

prior consent of the City or the District (other than as otherwise required by the City Code for occupancy and similar permits) will be required for any lease to a tenant in the ordinary course of business.

(e) *Financing.* Notwithstanding anything herein to the contrary, the City and the District hereby approve, and no prior consent shall be required in connection with, the right of the Developer to encumber or collaterally assign its interest in the Property or any portion thereof or its rights and interests in this Agreement to secure loans, advances or extensions of credit to finance or from time to time refinance all or any part of the District Project Costs, or the right of the holder of any such encumbrance or transferee of any such collateral assignment (or trustee or agent on its behalf) to transfer such interest by foreclosure or transfer in lieu of foreclosure under such encumbrance or collateral assignment.

(2) the negligence or intentional misconduct of the Developer, or an Affiliate, or their respective officers, employees and agents;

(3) the presence of hazardous wastes, hazardous materials or other environmental contaminants on the Property; or

(4) otherwise arising out of the construction of the District Project, the creation of the District, the imposition of the District Sales Tax or the administration of this Agreement.

If the validity or construction of the CID Act, and/or any ordinance of the City or resolution of the District adopted in connection with this Agreement or the CID Petition or otherwise affecting the District Project are contested in court, the Developer shall defend, hold harmless and indemnify the City and the District from and against all claims, demands and/or liabilities of any kind whatsoever including, without limitation, any claim for attorney fees and court costs, and the Developer shall pay any monetary judgment and all court costs rendered against the City and the District, if any.

(c) Notwithstanding anything herein to the contrary, the City shall not be liable to the Developer or the District for damages or otherwise if all or any part of the CID Act and/or any ordinance of the City adopted in connection with this Agreement or the creation of the District is declared invalid or unconstitutional in whole or in part by the final (as to which all rights of appeal have expired or have been exhausted) judgment of any court of competent jurisdiction.

(d) Notwithstanding the foregoing terms of this Section, the Developer is not obligated to defend, hold harmless or indemnify (1) the City with respect to any matter or expense resulting from or

arising out of the negligence or willful misconduct of the City or (2) the District with respect to any matter or expense resulting from or arising out of the negligence or willful misconduct of the District.

If any provision of this Agreement is found by a court of competent jurisdiction to be invalid, the remaining provisions of this Agreement shall remain valid unless the court finds that the valid provisions are so essentially and inseparably connected with and so dependent upon the invalid provision that it cannot be presumed that the parties hereto would have agreed to the valid provisions of this Agreement, or unless the court finds the valid provisions, standing alone, are incomplete and incapable of being executed in accordance with the intent of the Parties.

materially change the nature of the transaction unless approved by the City's Board of Aldermen and the District's Board of Directors.

**Section 6.11 Representations.**

(a) *By the City.* The City represents, warrants, covenants and agrees as a basis for the undertakings on its part contained herein that:

(1) The City is a fourth-class city organized and existing under the laws of the State of Missouri, and by proper action has been duly authorized to execute, deliver and perform this Agreement.

(2) To the best of the City's knowledge, there are no lawsuits either pending or threatened that would affect the ability of the City to perform this Agreement.

(b) *By the District.* The District represents, warrants, covenants and agrees as a basis for the undertakings on its part contained herein that:

(1) The District is a community improvement district organized and existing under the laws of the State of Missouri, and by proper action has been duly authorized to execute, deliver and perform this Agreement.

(2) To the best of the District's knowledge, there are no lawsuits either pending or threatened that would affect the ability of the District to perform this Agreement.

(c) *By the Developer.* The Developer represents, warrants, covenants and agrees as the basis for the undertakings on its part herein contained that:

(1) The Developer is a limited liability company duly organized and existing under the laws of the State of Delaware and authorized to transact business in Missouri and has power to enter into, and by proper action has been duly authorized to execute, deliver and perform, this Agreement.

(2) Neither the execution and delivery of this Agreement, the consummation of the transactions contemplated hereby, nor the fulfillment of or compliance with the terms and conditions of this Agreement, conflicts with or results in a breach of any of the terms, conditions or provisions of any restriction, agreement or instrument to which the Developer is now a party or by which the Developer is bound.

(3) There are no lawsuits either pending or threatened that would affect the ability of the Developer to proceed with the completion or operation of the District Project.

**Section 6.12 Payment of City Fees.** The District and the Developer agree, jointly and severally, to reimburse reasonable and actual costs incurred by the City in connection with the creation of the District, the negotiation and execution of this Agreement, and review of annual budgets and reports required to be submitted by the District to the City in accordance with the Act.

**Section 6.13 Anti-Discrimination Against Israel Act.**

(a) The State of Missouri has adopted the "Anti-discrimination Against Israel Act," Section 34.600, Revised Statutes of Missouri, which provides that "[a] public entity shall not enter into a contract with a company to acquire or dispose of services, supplies, information technology, or construction unless the contract includes a written certification that the company is not currently engaged in and shall not, for the duration of the contract, engage in a boycott of goods or services from the State of Israel; companies doing business in or with Israel or authorized by, licensed by, or organized under the laws of the State of Israel; or persons or entities doing business in the State of Israel." (b) The District and the Developer hereby certify and agree that, to the extent the Anti-discrimination Against Israel Act is applicable to this Agreement, the District and Developer are not currently engaged in and shall not, for the duration of this Agreement, engage in a boycott of goods or services from the State of Israel, companies doing business in or with Israel or authorized by, licensed by or organized under the laws of the State of Israel or persons or entities doing business with the State of Israel, in all respects within the meaning of the Anti-discrimination Against Israel Act.

(c) The foregoing certification shall not be deemed an admission or agreement that the Anti-discrimination Against Israel Act is applicable to this Agreement but the foregoing certification is provided if the Anti-discrimination Against Israel Act is applicable. If the Anti-discrimination Against Israel Act is initially deemed or treated as applicable to this Agreement, but it is subsequently determined not to apply to this Agreement for any reason including by reason of applicable federal law, including without limitation, 50 U.S.C. Section 4607, the repeal or amendment of the Anti-discrimination Against Israel Act or any ruling of a court of competent jurisdiction as to the unenforceability or invalidity of the Anti-discrimination Against Israel Act, then the foregoing certification shall cease and not exist.
