SUBJECT:

2022 Freightliner 108SD Single Axle Dump Truck - Chassis Only

LIST OF ATTACHED REFERENCE DOCUMENTS:

2022 Bid - Truck Centers Inc. - MODOT State Contract

FISCAL IMPACT:

2022 Freightliner 108SD:	\$89,022.00
Sunset Hills CIP Budget Amount:	\$90,000.00

BACKGROUND/DISCUSSION:

The 2009 International WorkStar two-ton single axle dump truck that will be replaced by the new 2022 Freightliner 108SD dump truck, has been sparingly used the last two years due to the condition of the vehicle. The vehicle has been scheduled for replacement since 2019 but due to budget decisions has been delayed until this year. The continued breakdown of the vehicle, as well as the availability of parts has attributed to the minimal use of the vehicle. The City is anticipating approximately \$15,000 for the 2009 vehicle once the new chassis and dump bed are delivered to the City, which is expected to be late 2023.

The chassis for the 2022 vehicle was approved in the 2022 Sunset Hills CIP budget with the dump body hopefully being approved during mid-year budget meetings or as part of the 2023 Sunset Hills CIP budget.

STAFF RECOMMENDATION:

Staff recommends approval of the contract with Truck Center Inc. for the Freightliner 108SD from the MODOT State Contract in the amount of \$89,022.00.
