**SUBJECT:**

Oates Associates Engineering Services Contract – Eddie & Park Sidewalk Project

**LIST OF ATTACHED REFERENCE DOCUMENTS:**

Engineering Services Contract

**FISCAL IMPACT:**

The contract is not to exceed \$43,000. Sufficient funds have been budgeted. ARPA funds will be used for this engineering services contract

**BACKGROUND/DISCUSSION:**

The Eddie & Park Sidewalk Project was originally contemplated for design in 2015. At that time there was a petition submitted to not install the sidewalk on Eddie & Park on the south side of the road. The Board of Alderman decided to not move forward with construction of the sidewalk on the north side of the road and instead contracted for the construction of sidewalk adjacent to Kitun Dog Park and Truman Middle School. Recently, the Board of Alderman has discussed the construction of the Eddie & Park Sidewalk on the north side of the road. The contract before the Board of Alderman is for the completed design of the sidewalk on Eddie & Park between Lindbergh Boulevard and the Kitun Dag Park.

**STAFF RECOMMENDATION:**

Staff recommends Board of Alderman approval of the contract with Oates Associates for Engineering Services for the design of the Eddie & Park Sidewalk Project in the not to exceed amount of \$43,000.
