Nu Way Concrete Forms Inc.:	\$19,950.00
Total Cost:	<b><u>\$19,950.00</u></b>

**BACKGROUND/DISCUSSION:**

The Public Works Street Department recently advertised for bids for the replacement of the 2006 Portable Air Compressor. Bids were solicited per the city purchasing policy on February 12, 2022 with a bid closing date of February 28, 2022. Bids received were sealed until the bid opening date on February 28, 2022 at 10:00 am. Bids were received from Pat Kelly Equipment, Luby Equipment Services, CMW Equipment and Nu Way for the full replacement of the air compressor.

This unit has been requested for replacement the previous few years but due to budgetary constraints was not approved until this year. The unit is used primarily by the Public Works Department, while also being utilized by the Parks Department on several occasions throughout the year.

**STAFF RECOMMENDATION:**

Staff recommends Board of Aldermen approval of the contract with Nu Way Concrete Forms, Inc. for the purchase of the Air Compressor at a cost of \$19,950.00. Nu Way Concrete Forms, Inc. offered the lowest and best price for the air compressor.

**MEETING HISTORY:**

February 8, 2022 – Board of Alderman Meeting – The Board of Aldermen directed staff to rebid the air compressor.
