Stephen Dodge
CHIEF OF POLICE

Date 03/29/2022

Director Sandy Karsten
1101 Riverside Dr.
Lewis and Clark Building, 4th Floor West
Jefferson City, MO 65102

Dear Director Karsten,

The Sunset Hills Police Department would like to install Automatic License Plate Recognition provided by the company, Flock Safety, on Missouri Department of Transportation right of ways. Please approve the following locations:

- US-61, St. Louis, MO 63127, USA, on a point with following GPS coordinates:
(38.55503395588192,-90.40715836748463)
- State Rte 30, St. Louis, MO 63127, USA, on a point with following GPS coordinates:
(38.51866959862825,-90.4214838595328)

Best regards,

A handwritten signature in black ink, appearing to read "Col. Stephen Dodge", is written over a horizontal line.

Col. Stephen Dodge

**STATE OF MISSOURI
DEPARTMENT OF PUBLIC SAFETY
OFFICE OF THE DIRECTOR**

March 31, 2022

Patrick McKenna
Director
Department of Transportation
105 W. Capitol Ave.
Jefferson City, MO 65101

Dear Director McKenna:

Please see the enclosed request from the Sunset Hills Police Department. I certify that this is a bona fide law enforcement agency and therefore approve the request.

Contact information for the Chief is as follows:

Chief Stephen Dodge
Sunset Hills Police Department
3905 South Lindbergh Blvd.
Sunset Hills, MO 63127
(314) 849-4400

Please confirm once MoDOT approval has been finalized, but no later than April 29, 2022. License plate readers are a valuable tool to fight crime and law enforcement finds this technology highly useful to their public safety efforts. Thank you in advance for your expedient approval of this request, and for making the safety of Missourians a priority.

Sincerely,

A handwritten signature in black ink that reads "Sandra K. Karsten".

April 11, 2022

Chief Stephen Dodge
Sunset Hills Police Department
3905 South Lindbergh Blvd.
Sunset Hills, MO 63127

Dear Chief Dodge:

The Missouri Department of Transportation (MoDOT) has received your request to install license plate readers at the various locations listed on your letter dated March 29, 2022. These locations will need to be evaluated to determine the feasibility of installing these devices. MoDOT does not allow the installation of these devices directly over the travel lanes, but there may be opportunities outside of this area.

Please contact MoDOT's local representatives for specific guidance on moving forward with your request to work on MoDOT right of way.

Fred Lagos
636-208-3423
Federico.lagos@modot.mo.gov

MoDOT's local staff will work with you to address specific details prior to the issuance of a permit to install the requested devices. This can include, but not limited to:

- Executing a Roles and Responsibilities document to specifically address the expectations of maintaining the devices being installed.
- A plan to provide electricity to the equipment as well as retrieving data from the equipment.
- An engineered set of drawings or plans of work proposed on the right of way.
- A traffic control plan for any proposed work on the right of way to notify and safely guide motorists through your activity area.
- A surety deposit or performance bond to insure satisfactory work, accepted by MoDOT.

Thank you for your continued coordination efforts with us as we work towards the successful implementation of these devices.

Sincerely,

Nicole Hood

Nicole Hood, P.E.
State Highway Safety and Traffic Engineer
