The Department of Public Works denied applicant's request for a permit to construct a shed

I (Applicant) Hazim Bajric hereby requests a variance to allow For my a shed to stay where is staying right now, to continue be there

Practical difficulties or unnecessary hardships for which the Board of Adjustment should grant the variance are:

First of all, it was existing a shed, was in very bad shape. I decided to rebuilt it on same spot as was existing one, I thought if was something existing I can rebuild it on same spot. For this

~~existing~~ shed it is not possibly TO BE MOVED BECAUSE IT WAS Legal Description of the property to be attached. BUILT ON SOLID CONCRETE SLAB. For me it is necessary to have this shed to be able to keep my lawn mower equipment and my yard tools to be able to maintenance my property.
