

REQUEST FOR BOARD ACTION

BOARD MEETING DATE: Tuesday, June 14th, 2022

REVIEWS:

Chief of Police-Completed
City Attorney - Completed
City Administrator-Completed

SUBJECT: MODOT LPR Roles and Responsibilities Agreement (For Flock Camera Installation)

LIST OF ATTACHED REFERENCE DOCUMENTS:

MODOT-Sunset Hills LPR Roles and Responsibilities Agreement
Ordinance for Intergovernmental Rights and Responsibilities Agreement with MODOT

FISCAL IMPACT:

\$0

BACKGROUND/DISCUSSION:

The Board of Alderman previously approved the City's purchase and contract with FLOCK Safety for the purchase and yearly maintenance of two fixed location FLOCK License Plate Recognition Cameras. This approval occurred at the 4/26/22 BOA meeting. The contract with FLOCK has been since signed. The agreement for discussion this evening is a Roles and Responsibilities agreement with the Missouri Highway Commission since our two cameras we purchased are planned to be installed on MODOT right away location sites. The signing of this agreement is necessary before the MODOT site location approval process can continue and before any further progress can be made towards the purchasing of the approved cameras.

The proposed locations for the two LPR cameras are still eastbound MO 30 between the Meramec River and Rahning Road, and southbound Lindbergh Boulevard just before the entrance to the Sunset Hills Shopping Plaza (pending MODOT approval).

STAFF RECOMMENDATION:

Based on information presented, staff recommends the signing of the MODOT-Sunset Hills LPR Roles and Responsibilities Agreement

.

MEETING HISTORY:

Board of Alderman Meeting, Tuesday, April 26, 2022 (Approval, Purchase/Contract of 2 Flock Cameras)
