Director of Parks and Recreation – Completed

City Administrator – Completed

SUBJECT: Maintenance Agreement with MSD to maintain and operate stormwater management facilities involved with the landings for the Pedestrian Bridge adjacent to I44.

LIST OF ATTACHED REFERENCE DOCUMENTS:

Resolution for the Mayor and Board of Alderman

Maintenance Agreement from MSD

FISCAL IMPACT: N/A

BACKGROUND/DISCUSSION:

Back in March, 2022; the Board approved the intergovernmental agreement with the Cities of Fenton and Kirkwood for the overall maintenance of the landings for the new Modot pedestrian bridge. Included in that agreement stated:

Storm water retention areas: East side retention area will be under direct maintenance of the Cities of Sunset Hills and Kirkwood; and the West side area will be under direct maintenance of the City of Fenton. BMP will be utilized for both areas. Responsible for inspections, etc.

The agreement tonight is with MSD stating that we will maintain and operate the stormwater management facilities with best management practices. We believe this is the last step in order to move this project forward.

STAFF RECOMMENDATION:

Staff recommend for approval.
