Subject: FPE Automation special event at 12951 Gravois Road, S-130

Lori, FPE automation has requested permission for a day special event to be held on our property with a tent behind the building directly behind their offices. The properties impacted would be 12951 Gravois Road, a Westpointe Group property, 12955-57 Gravois Road, also owned by Westpointe Group and 10232 Rahning Road owned by CPS, L.L.C. I am the principal of all three properties and have no issue with the event. Parking is expected to be sufficient across the three properties. I am OK with the erection of a tent for the day, also on the condition that no stakes are driven through any pavement.

I can be reached at 314-842-8800. Thanks, Mark Lutman
