BACKGROUND/DISCUSSION:

The Public Works Street Department recently advertised for bids for the street striping project. Bids were solicited per the city purchasing policy on August 17, 2022 with a bid closing date of August 25, 2022. Bids received were sealed until the bid opening date on August 25, 2022 at 9:00 am. Bids were received from Traffic Control Company for the street striping project. There are very few street striping companies, which is the reason for only one bid.

STAFF RECOMMENDATION:

Staff recommends Board of Aldermen approval of the contract with Traffic Control Company for the street striping project at a cost of \$15,000.00. Traffic Control Company offered the lowest and best cost for the project.
