Dear Chief Dodge,

On Saturday, November 5th, Laumeier Sculpture Park at 12580 Rott Rd. will be hosting an evening event called Laumeier After Dark from 4 pm to 10 pm.

St. Louis County Park Rangers will be on hand to support the event, guiding patrons arriving to, and exiting, the park. They will be directing pedestrian traffic at the intersection of Rott Road and Geyer Road. We do not anticipate a crowd that would be too large to handle or large enough to cause any issues the night of the event. Please be advised that if you receive an evening call to Laumeier on Saturday, November 5th, St. Louis County Park Rangers will be on the premises.

Please contact me if you have any questions about the event.

Sincerely,
