

REQUEST FOR CITY ADMINISTRATOR ACTION

BOARD MEETING DATE: Tuesday, October 11, 2022

REVIEWS:

Director of Parks and Recreation – Completed

City Administrator - Completed

SUBJECT: (1) 2022 Dingo

LIST OF ATTACHED REFERENCE DOCUMENTS:

Proposal from vendor

FISCAL IMPACT:

Capital Purchases: \$39,657.00 (Budgeted \$42,000; account # 05.8000.9205)

BACKGROUND/DISCUSSION:

The Parks Department plans to replace the old Dingo passed on from Public Works 7 years ago. The utility vehicle is utilized daily for a variety of projects such as: digging, brush hogging, tree debris removal, etc. The vehicle to be replaced has become too costly to maintain. This was brought to the Board of Alderman in Feb, 2022 and approved through the state bid process; we signed and ordered through Ditch Witch Sales, Inc through Collinsville. Unfortunately, that company cannot fulfill the order as previously agreed upon. However, we are able to get Toro Dingo TX1000W from a local vender this month for a purchase price of \$39,657.00.

STAFF RECOMMENDATION:

Staff recommend for approval.

MEETING HISTORY:

-Board of Alderman Feb, 2022

-Parks & Recreation Commission, Oct, 2021
