SUBJECT:

Surplus Property: 1998 Onan Generator with Transfer Switch

LIST OF ATTACHED REFERENCE DOCUMENTS:

FISCAL IMPACT:

Unknown revenue to be generated by auction sales. Potential revenue of 1998 Onan Generator with Transfer Switch is approximately \$1,000.00-\$3,000.00.

BACKGROUND/DISCUSSION:

The 1998 Onan Generator with Transfer Switch was installed at the Public Works building when it was constructed in 1998. The units control transfer switch is nonfunctional and generator itself has had numerous issues of reliability over the years of service. A new Public Works building generator was purchased as part of the 2022 Sunset Hills CIP budget and has been delivered and installed. The 1998 Onan Generator with Transfer Switch is out of service and has been deemed surplus property.

STAFF RECOMMENDATION:

Based on the information presented, staff recommends the Board of Alderman deem the 1998 Onan Generator with Transfer Switch as surplus property. City staff will list the 1998 Onan Generator with Transfer Switch on Govdeals.com and/or Purple Wave auction site for sale.
