SUBJECT:

Surplus Property: ExMark Ultra Vac Collection System

LIST OF ATTACHED REFERENCE DOCUMENTS:

FISCAL IMPACT:

Unknown revenue to be generated by auction sales. Potential revenue of the ExMark Ultra Vac Collection System is approximately \$1,000.00-\$2,000.00.

BACKGROUND/DISCUSSION:

New vac collection system is being purchased with the new mower. Surplus mower and vac collection system were separated to generate the most return on revenue, with staff believing more revenue will be realized by selling the items separately. Vac collection system is currently out of service and has been deemed surplus property.

STAFF RECOMMENDATION:

Based on the information presented, staff recommends the Board of Alderman deem the ExMark Ultra Vac Collection System as surplus property. City staff will list the ExMark Ultra Vac Collection System on Govdeals.com and/or Purple Wave auction site for sale.
