SUBJECT: Purchase of top dresser for athletic fields/driving range/parks

LIST OF ATTACHED REFERENCE DOCUMENTS:

-Proposal from TurfWerks; only two suppliers offer this piece of equipment.

FISCAL IMPACT:

General Purchases: \$19,500 (Budgeted \$15,000; account #05.8013-9205) and (\$5,000, account # 05-8004-9205)

BACKGROUND/DISCUSSION:

The Parks & Recreation Department budgeted \$20,000 for maintenance equipment from within different accounts/facilities, we tried to purchase a few used pieces from Gov Deals, however we were unsuccessful. We would like to purchase a new piece of equipment that will be used for athletic field, driving range, soccer fields, sand volleyball, and leveling other open space common areas. This equipment will save time on labor because it evenly spreads material, creates a safer playing surface, and will reduce overall material cost.

STAFF RECOMMENDATION:

Staff recommend for approval.
