Groundworks Contracting Inc. Concrete Slab Replacement Services Contract

FISCAL IMPACT:

The contract price for Groundworks Contracting Inc. to provide Concrete Slab Replacement Services is \$233,927.75. This is a budgeted item in the 2023 City of Sunset Hills Capital Improvement Budget line item #05-5020-9208.

BACKGROUND/DISCUSSION:

The City budgeted \$400,000 in the 2023 Sunset Hills Capital Improvement Plan (CIP) budget. The City received eight (8) bids with Groundworks Contracting Inc. being the lowest and best bid (See Attached Memo). The unit price is approximately 15% lower than the low bid received in 2022. Staff credits the increase in bidders and lower bids to advertising the project earlier in the year compared to previous years.

Staff recommends the Board of Aldermen approve the City contracting with Groundworks Contracting Inc. to provide Concrete Slab Replacement Services at areas throughout the City in the amount of \$233,927.75.
