

**REQUEST FOR BOARD ACTION**

---

**BOARD MEETING DATE:** Tuesday, September 12, 2023

**REVIEWALS:**

Parks & Recreation Director – Completed  
City Administrator - Completed

**SUBJECT:** Proposal for painting (4) electrical boxes along Lindbergh Blvd.

**LIST OF ATTACHED REFERENCE DOCUMENTS:**

- Proposed art work for each electrical box
- Current pictures of existing electrical boxes
- Location of proposed electrical boxes

**BACKGROUND/DISCUSSION:**

The Art Committee has been looking at opportunities to include additional art throughout the city. The committee has brought additional sculptures throughout the park system, created the Makers Market event held in October, is currently reviewing welcome signage, and proposed new programming ideas. The Art Committee has recommended painting the electrical boxes along the major corridors of the city (Lindbergh, Watson, Gravois) and have identified 12 electrical boxes to be included. At this time, the committee is recommending the painting of four electrical boxes at the following sites:

3800 Block of Lindbergh

Corner of Lindbergh/East Watson Rd (Tidal Wave)

Lindbergh/Gravois (in front of Sunset Ford)

3905 S. Lindbergh (in front of Public Works)

If approved, the next step will be to send to MoDOT for approval. Once MoDOT approves, we would set up date/times for the artist to paint the boxes (entire box is painted)

**STAFF RECOMMENDATION:**

Staff recommends approval.

**MEETING HISTORY:**

August 28, 2023: Art Committee – Recommended approval
