

## REQUEST FOR BOARD ACTION

---

**BOARD MEETING DATE:** Tuesday, September 12, 2023

**REVIEWALS:**

Public Works Director: Completed

City Administrator: Completed

**SUBJECT:** Contract with TraMar Contracting, Inc. for street striping throughout the City.

**LIST OF ATTACHED REFERENCE DOCUMENTS:**

Bid and Recommendation Memo

Resolution

Street Striping Bid Package, including Contract

**FISCAL IMPACT:**

The contract price for TraMar Contracting, Inc. to provide street striping is \$42,941.00. \$25,000.00 is budgeted in the 2023 City of Sunset Hills Capital Improvement Project (CIP) budget, line item #05-5020-9208.

**BACKGROUND/DISCUSSION:**

The City contracts street striping services each year to repaint existing striping throughout the City. Existing striping gets worn and fades due to weather, vehicle traffic and snow plows. Many areas throughout the City are in need of restriping so the City has been trying to keep up with these areas due to safety concerns. This years proposed street striping contract exceeds the budgeted amount by approximately \$18,000. Staff recommends awarding the full contract due to funds being available in line item #05-5020-9208 due to being under budget on numerous other capital projects. A partial award of street striping is also an option.

**STAFF RECOMMENDATION:**

Staff recommends the Board of Aldermen approve the City contracting with TraMar Contracting, Inc. to provide street striping in the amount of \$42,941.00.

**MEETING HISTORY:**

Public Works Committee – September 7, 2023 – Unanimous Recommendation
