

City of Sunset Hills Department of Parks and Recreation Adult Slow-Pitch Softball League Rules (Revised 1/2022)

Welcome to the City of Sunset Hills and thank you for choosing our adult softball leagues for your enjoyment and recreation. All softball league participants and spectators are required to follow ALL rules and regulations described in the USA Softball Umpire Rule Book as well as ALL City of Sunset Hills Municipal Codes. It is the team manager's responsibility to inform all players of league rules. All players must be at least 18 years of age.

- EQUIPMENT:

The City will provide the softballs for each game. The specifications on the balls we use are .52 Core and 300 Compression. The umpires will check balls that go into play.

Check the approved bat list at usasoftball.com. Umpires will carry a list with them and there will be a list on hand at the concession stand. You may ask to have a bat checked at any point in the game.

Per USA Softball rules, no metal cleats or spikes may be worn. Cleats or spikes must be rubber or plastic.

- TIME LIMIT:

There is a 55-minute time limit. No inning will be started after 55-minutes. In the event of a cancellation due to rain or other circumstances, a game will be considered complete after 5 innings.

- RUN RULES: (ALL LEAGUES)

The game is over when any one team is winning by 20 runs after 3 innings, 15 runs after 4 innings, or 10 runs after 5 innings.

- EXTRA INNINGS:

If a game is tied after 7 innings or at the end of the regulation time limit, 1 extra inning will be played. Each batter will begin with a 3 ball 2 strike count, and each team will begin with a runner on second base. That runner will be last out of the previous inning. In the event of a tie after the extra inning, the game will end with that score and both teams will be awarded a draw.

- SCORE KEEPING:

Both teams must keep score in case of discrepancies.

The umpire will keep the official score.

Both teams must sign the umpire's scorecard for the official end of the game score.

- RAINOUTS:

Check the rainout line status at: <https://rainoutline.com/search/dnis/3148283384>

Rainouts will be decided by the league manager and the rainout line will be updated before 8:00am for morning games, and 4:00pm for evening games, or 12:00pm for weekend evening games, based on current field conditions and future weather radar forecasts. After that time it is at the umpire's discretion to call the games at any point.

If lightning is detected within 10 miles of the complex, the current games will be called off. If lightning is not seen again for 30 minutes, then games can be resumed starting with the next scheduled game. Games will be cancelled if a lightning delay goes past 10 minutes of the scheduled start time.

One (1) week of rainouts are built into each session. The rainout will be played 1 week after the originally scheduled last game. The City of Sunset Hills will make every attempt to play these games based on field availability, but reserves the right to cancel any session and/or credit an account for unplayed games.

- MINIMUM PLAYERS:

All teams must have a minimum of 8 players.

Teams may play the entirety of the game with the minimum of 8 eligible players with no penalty.

There are no automatic outs. If neither team can produce 8 players then both teams will forfeit.

- COED SUPPLEMENTAL RULES:

1. The 10 defensive players on the field must be split evenly at 5 men and 5 women. It will be allowed to play more women than men but not more men than women, except if playing shorthanded. If shorthanded with only 4 women, than 5 men may still play in the field. It is never permissible to play more than 5 men on defense, even if shorthanded.

4 women must be in the field at all times, men and women can play any position at any time as long 4 women are on the field. No team may play with less than 8 players.

2. The batting order must alternate between women and men. No 2 men are allowed to bat back to back even in shorthanded situations. 2 batting orders will be implemented, 1 women and 1 men, both alternating.
3. Any male batter that is issued a walk will immediately be awarded second base, but must touch first base or be subject to an out if apealed. With less than two outs the next female batter must take an at-bat. Only after two outs are recorded, a woman on deck, after a male has walked, may choose to hit or take the free base at first. The decision must be made before the next pitch. A pitch to the female batter implies the decision, by the batter, to hit and give up the free base.
4. Women may substitute for women as pinch runners and men for men.

- ADDING PLAYERS AFTER START OF GAME:

If the additional (eligible) players arrive after the start of the game then he/she can enter the game immediately. Players entering after the start of the game must be placed at the end of the line-up.

- SUBSTITUTIONS:

Teams must bat all eligible present players, not just those who played in the defensive half of the inning. MUST BAT ENTIRE PRESENT ROSTER.

Free defensive substitutions will be allowed. Any player may enter any defensive position at any time and as often as needed.

Teams may use one (1) pinch runner per inning. The pinch runner can be any player. NOTE: If at any time the pinch runner's batting position is due up when he/she is on base as a pinch runner, an OUT will be recorded, and another player will take their place as the pinch runner so the original runner can take their at bat. A second runner will only be allowed if a player is injured during the play and cannot continue with the game.

If an injured player bats multiple times in their offensive half of the inning, then he is allowed a pinch runner each at bat.

Only 1 player is allowed a pinch runner per inning.

- PLAYERS MOVE TO ANOTHER TEAM:

Players may play on multiple teams in separate leagues unless leagues are scheduled for the same day. No player is eligible to sign up on 2 separate rosters for 2 teams playing on the same league night. Any player on a Sunset Hills roster may “sub” for another team as long as that team has a minimum of 7 players from the original roster. The number of “subs” may not exceed half the number of rostered players.

- RUNNERS:

Any runner off the base struck with a batted ball will be called out.

Any ball striking a runner in contact with the base will be a live ball.

Base runners may not step outside the base line at anytime unless they are giving themselves up for an out.

Runners may not leave (lead off) the base until the pitch crosses the plate

Any bases runners caught leading off before the pitch will be called out.

Stealing is not allowed.

Runners must slide or give themselves up. Any runner who does not and purposefully collides with the defensive player will be ejected.

Base paths will be measured to 70 feet.

- PITCHING:

Every batter will begin with a 1-ball 1-strike count.

A foul ball with 2 strikes will result in a third strike and is a dead-ball out, runners may not advance.

The pitching mound will be measured out to a distance of 50 feet. The pitcher must be in contact with the pitching rubber when releasing the pitch. If not in contact with the pitching rubber then the illegal pitch rules will apply.

- PITCHING ARC:

The legal pitch arc will have a minimum floor of 6 feet and a maximum ceiling of 10 feet. Any pitch within those requirements will constitute a legal pitch.

Legal pitches are decided by the umpire and may not be argued.

An illegal pitch will be considered a delayed dead ball.

A batter can decide to swing at an illegal pitch rendering it a live ball and regular rules apply.

Strike mats will be used. Any legal pitch that falls on the mat is an unarguable strike. Hitting Home Plate is not a strike and will be considered a ball.

- HOMERUN RULE:

On field #4 homeruns will be all you can get.

On field #2 and #3 there will be a 4 homerun limit with the one up rule going into effect.

In any one game if a team hits 4 homeruns, every homerun after that point is considered an out until the other team "catches up" to the 4 homerun limit.

When both teams are at the 4 limit, then the 1 up rule will go into effect. Any homerun hit beyond the 1 up will also be considered an out. (Inside the park homeruns do not count towards the homerun tally.)

If a fielder deflects a fly ball over the fence it is considered a homerun but does not count towards the tally.

- OUT OF PLAY:

Any ball beyond the dugout fence extended will be out of play and considered a dead ball.

If the ball is thrown or blocked out of play by the defensive team, then any base runners will be awarded 2 bases, the base they are approaching and the following base.

- WARM-UP AREAS:

Warm-ups are permitted in dead ball area (outside of the fence), but not in foul territory.

- FORFEITS:

If your team needs to forfeit a game, call the Sunset Hills Community Center at 314-842-7265 as soon as possible and at least by 4pm of the day of the game to notify of the forfeit. The game is considered a forfeit if one of the teams cannot produce the appropriate number of eligible player by game time. No grace period will be given to teams unable to arrive on time with the proper players.

If your team forfeits without notice or after 4pm you will be charged a \$35 "No Show Fee" from the card that was used to register the team. This is meant to encourage teams to give notice that they will not be at the game. It saves everyone time and frustration of not showing up without notice.

Teams dropping out of the league after the scheduled start date will not be refunded.

Forfeiting teams concede 7 runs to the opposing team.

- SPORTSMANSHIP

General Policies and Procedures Sportsmanship- The ump will record a grade for each team on the scorecard, each night on that night. Teams that finish the session with a sportsmanship rating lower than a 2.5 average will not be allowed in the future sessions that same year. A team that receives a 1 on any given night could be removed from the league immediately.

The grading scale is as follows:

4 = Excellent, Displayed good sportsmanship to even out the game. I.e. A runner was safe and they confessed they were out or they trapped the ball instead of catching it. (Not impossible to get but not handed out easily.)

3 = Nothing to report, the team/players conducted themselves properly.

2 = Minor issues, single player issue. Constant bickering or arguing for calls. (people are going to questions calls, it's what they continue to do after the question that gets them this)

1 = Major issue, multiple players, or an ejection. (same as above but on a team basis.)

- EJECTIONS AND SUSPENSIONS:

Harassment of the official(s) before, during, or after the game may result in the ejection of the individual(s) involved in the game for unsportsmanlike conduct. Every time an ejected player's spot comes up to bat it will be considered an out. Umpires have the authority to remove any ejected persons from the complex.

Vulgarity and profanity will not be tolerated. Managers are in charge of their players and fans' conduct. Players or fans ejected because of profanity or misconduct must leave the area surrounding the field of play or that team will forfeit the game. Any persons ejected are automatically suspended from the next team game (scheduled, rescheduled or championship).

Any player, coach, or fan that is ejected from a game for whatever reason will be reported to the Parks & Recreation office and will be suspended from attendance/participation in his/her team's next game (including scheduled, rescheduled and playoffs). The Parks & Recreation Department may lengthen suspensions for any length of time and may seek removal from leagues if circumstances so warrant.

- REMOVAL FROM LEAGUE:

Any player or spectator, who strikes, attempts to strike or verbally threatens an official, player or spectator will be suspended from the league for one calendar year.
