

# ATTENTION!

i3 Broadband construction crews will begin installing a 100% fiber-optic network in your neighborhood over the next several weeks.

This new fiber-optic network will bring your neighborhood the most advanced Internet, Television, and Voice technology available to the Greater St. Louis area. Our crews will work quickly, carefully, and safely within the existing utility easements in front of or behind your home. We maintain the highest construction standards in the industry. Should you have any questions about the project, or our services, please call us at **877-976-0711**. You can also reach us by email at [info@i3broadband.com](mailto:info@i3broadband.com).

i3 Broadband representatives will be visiting your neighborhood soon to answer any questions you may have regarding construction or our services.

To sign up today, visit [i3broadband.com](http://i3broadband.com).
